

Milieu “the surrounding environment that we live in”

Nestled in the centre of Middlemount is a new premium lifestyle and investment opportunity. The release of Milieu offers a rare opportunity to purchase a contemporary home in the centre of this booming region of Central Queensland. Astute home buyers will recognise the outstanding quality of this investment as a development with superior design and great lifestyle appeal. Everything that helps you enjoy a healthy, active lifestyle is at your doorstep - shopping centre, sporting facilities, olympic swimming pool, golf course, school (Prep to Year 12), hotel, clubs, restaurants and medical centre. Complimented by its own two parks, barbecues and community swimming pool, Milieu is the ideal place for families or singles to call home. And a dream investment for the occupiers and investors alike.
